About our speaker ....

Congressman Curt Weldon
1987-2007

Curt Weldon served 20 years in the US Congress and retired as Vice Chairman of the Armed Services Committee and Vice Chairman of the Homeland Security Committee. Weldon organized and Chaired the National Disaster Fire and EMS Caucus for 20 years and served as America’s Honorary Fire Chief. Prior to Congress Weldon served as an Executive with the INA/CIGNA Corporation at the Corporate Headquarters in Phila as well as an Educator and College Professor. Weldon was also elected as Delaware County Council Chairman and Mayor of Marcus Hook, PA.

Weldon formed Jenkins Hill International in 2007 and provides national and international consulting services based on his work as a public official and his leadership of 60 Bi-Partisan Congressional Delegations to over 125 countries, including Libya and North Korea. Weldon has received over 100 national and international awards and 7 Honorary Doctorate Degrees and is an elected Member of the Russian Federation Academy of Sciences.

Weldon currently serves in the following positions –

CEO – Jenkins Hill International
Member – DHS Technical Advisory Panel
Board of Advisors – Center for Campus Fire Safety
Knight Commander – Knights of Malta
Chairman – E-Crypt Corporation
Board of Directors – Nobel Oil Company – Moscow
Board of Directors – Nobel Oil Company - Baku
Board of Directors – Asset-PM Limited
Board of Advisors – InZero Corporation
Strategic Advisor – The COCESS Trade Alliance
Strategic Advisor/Consultant – Brookwood Financial Partners
Strategic Advisor – AFO Research
Strategic Advisor – Regenicin
About our sponsor....

Olympic Tool is a modern machine shop involved in the manufacturing of machine parts and critical components for the Aerospace Industry. Olympic is one of the few Boeing subcontractors who meets the requirement of "Boeing Preferred Supplier". As a preferred supplier, Olympic Tool provides Class A Critical, Flight Safety parts, fuel and rotor components as well as complete assemblies. Olympic Tool's commitment to quality has also earned them NADCAP and ISO 9001 certifications.

They have been a strategic supplier on Boeing rotorcraft programs such as the AH-64, CH-46, CH/MH-47, HH-47 and V-22 programs. In addition to the rotorcraft programs, Olympic Tool also supplies highly specialized parts on fixed wing aircraft such as the F-14, 737, 747, 767 and 777.

Olympic Tool specializes in comprehensive component management and advanced machining. Their capabilities include CNC & Manual Operations of 3,4, and 5 Axis Milling, Turning, Cylindrical Grinding, Surface Grinding, Broaching, Honing, Gun Drilling, Blanch Grinding, and Thread Milling. Olympic also manages all special processes for their components including, but not limited to, shot peening, heat treating, plating and painting.

Olympic Tool employs 70 people in a 75,000 square foot building located in Aston, PA. They have been a loyal sponsor of the American Helicopter Society, Philadelphia Chapter for years.
